Determining Zoning of a Parcel of Land in the Town of Holland

1. Go to Sheboygan County's website. The link is located on the Town of Holland Resources page. Scroll down to Zoning Information. Select Instructions for Determining Zoning.
2. Search for a parcel on the Sheboygan County website by typing in address or parcel number in upper left. Or, you can navigate on the map to the parcel of interest.

Search Parcel ADDRESS

It may take a couple tries to get the address to match the format in the County's database. For example, "road" cannot be abbreviated Rd or RD; it must be typed out as "Road."

The zoning is shown both by the shading and by a zoning code such as R-1, A-2, or C-1.

Search by Parcel NUMBER

Insert the full parcel number in the search box in the upper left.
