

OIL RECYCLING

As of 12/22/2018

The Town of Holland accepts used motor oil and certain other liquid petroleum products for recycling.

Temporary containers used for transport (milk cartons, plastic containers, etc.) must go into the trash compactor, not the recycling compactors.

ALLOWED (If not listed, it is not allowed)

- Used motor oil, single weight or multiweight.
- Synthetic motor oil, Mobil 1 for example.
- Two-Cycle Engine oil (not mixed with gasoline)
- Hydraulic oil
- Transmission fluid
- Heavier gear oil
- Diesel fuel

NOT ALLOWED (Including but not limited to)

- Flammable products:
 - Gasoline
 - Kerosene
 - Turpentine
 - Paint thinner
 - Alcohol
- Anti-freeze
- Paint
- Grease
- Cooking oils, bacon or beef grease.
