

# BRUSH RECYCLING

As of 2/10/2019

The Town of Holland accepts residential organic yard waste for recycling. We do not accept commercial yard waste.

There are two piles: mulch and brush.

Please remove yard waste from plastic bags or other transporting containers. Plastic is not allowed in either the mulch or brush piles.

Make sure there are no plastic pots or other foreign material in the yard waste.

## Mulch Pile:

- Grass clippings
- Leaves
- Non-brush garden plants
- Pumpkins
- Compost

## Brush Pile:

- Branches up to 5" inches diameter
- Shrubs

## NOT ALLOWED (Including but not limited to)

- Firewood
- Logs
- Stumps
- Building materials of any kind: lumber, plywood, chip board...
- Plastic bags and potting trays.
- Plant pots of any material.
