

**TOWN OF HOLLAND, SHEBOYGAN COUNTY, WISCONSIN
ORDINANCE NO. 2026-03**

**AN ORDINANCE AMENDING PROVISIONS OF CHAPTER 290
OF THE CODE OF THE TOWN OF HOLLAND, SHEBOYGAN COUNTY, WISCONSIN**

BE IT ORDAINED by the Town Board of the Town of Holland, Sheboygan County, Wisconsin, that the following provisions of the Town Code for the Town of Holland, Sheboygan County, Wisconsin, are hereby amended, created and/or repealed as follows:

Section 1. That portion of § 290-11 Definitions defining “BIMETAL CONTAINER” is hereby amended to read as follows.

BIMETAL CONTAINER

A container for carbonated or malt beverages that is made primarily of a combination of steel and aluminum.

Section 2. That portion of § 290-11 Definitions defining “FOAM POLYSTYRENE PACKAGING” is hereby created to read as follows.

FOAM POLYSTYRENE PACKAGING

Packaging made primarily from foam polystyrene that satisfies one of the following criteria:

- a) Is designed for serving food or beverages.
- b) Consists of loose particles intended to fill space and cushion the packaged article in a shipping container.

Section 3. That portion of § 290-11 Definitions defining “HDPE” is hereby amended to read as follows.

HDPE

High-density polyethylene plastic containers labeled by the resin code # 2.

Section 4. That portion of § 290-11 Definitions defining “LDPE” is hereby created to read as follows.

LDPE

Low density polyethylene, labeled by the resin code # 4.

Section 5. That portion of § 290-11 Definitions defining “MULTIPLE-FAMILY DWELLING” is hereby amended to read as follows.

MULTIPLE-FAMILY DWELLING

A structure containing five or more residential units, including units that are occupied seasonally.

Section 6. That portion of § 290-11 Definitions defining “NONRESIDENTIAL FACILITIES AND PROPERTIES” is hereby amended to read as follows.

NONRESIDENTIAL FACILITIES AND PROPERTIES

Commercial, retail, industrial, institutional and governmental facilities and properties. Non-residential facilities and properties include any location at which goods or services are provided or manufactured, including locations under construction, demolition, or remodeling, or used for special events such as fairs, festivals, sport venues, conferences, and exhibits. This term does not include multiple-family dwellings.

Section 7. That portion of § 290-11 Definitions defining “OFFICE PAPER” is hereby amended to read as follows.

OFFICE PAPER

A variety of high-grade printing and writing papers. This term does not include industrial process waste, newspaper or packaging.

Section 8. That portion of § 290-11 Definitions defining “OTHER RESINS OR MULTIPLE RESINS” is hereby created to read as follows.

OTHER RESINS OR MULTIPLE RESINS

Plastic resins labeled by the resin code # 7.

Section 9. That portion of § 290-11 Definitions defining “PERSON” is hereby amended to read as follows.

PERSON

Includes any individual, corporation, limited liability company, partnership, association, local government unit, as defined in § 66.0131(1)(a), Wis. Stats., state agency or authority or federal agency.

Section 10. That portion of § 290-11 Definitions defining “PETE or PET” is hereby amended to read as follows.

PETE or PET

Polyethylene terephthalate plastic, labeled by the resin code # 1.

Section 11. That portion of § 290-11 Definitions defining “PP” is hereby created to read as follows.

PP

Polypropylene, labeled by the resin code # 5.

Section 12. That portion of § 290-11 Definitions defining “PS” is hereby created to read as follows.

PS

Polystyrene, labeled by the resin code # 6.

Section 13. That portion of § 290-11 Definitions defining “PVC” is hereby created to read as follows.

PVC
Polyvinyl chloride, labeled by the resin code # 3.

Section 14. That portion of § 290-11 Definitions defining “RECYCLABLE MATERIALS” is hereby amended to read as follows.

RECYCLABLE MATERIALS

Includes lead acid batteries; major appliances; waste oil; yard waste; aluminum containers; corrugated paper or other container board; foam polystyrene packaging; glass containers; magazines; newspaper; office paper; rigid plastic containers, including those made of PETE, HDPE, PVC, LDPE, PP, PS and other resins or multiple resins; steel containers; waste tires; and bimetal containers.

Section 15. That portion of § 290-11 Definitions defining “YARD WASTE” is hereby amended to read as follows.

YARD WASTE

Leaves, grass clippings, yard and garden debris and brush, including clean woody vegetative material no greater than six inches in diameter. This term does not include stumps, roots, or shrubs with intact root balls.

Section 16. § 290-12.H through § 290-12.N, relating to separation of recyclable materials, are hereby renumbered to be § 290-12.I through § 290-12.O, respectively.

Section 17. § 290-12.H of the Town Code, relating to separation of recyclable materials, is hereby created to read as follows:

H. Foam polystyrene packaging.

Section 18. § 290-12.J of the Town Code, relating to separation of recyclable materials, is hereby amended to read as follows:

J. Magazines.

Section 19. § 290-12.K of the Town Code, relating to separation of recyclable materials, is hereby amended to read as follows:

K. Newspaper.

Section 20. § 290-12.M of the Town Code, relating to separation of recyclable materials, is hereby amended to read as follows:

M. Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins.

Section 21. § 290-14.1.B(4) of the Town Code, relating to the town recycling facility, is hereby amended to read as follows:

(4) Waste oil.

Section 22. The title of § 290-15 of the Town Code, relating to types of recyclable items, is hereby amended to read as follows:

§ 290-15 Lead acid batteries, major appliances, waste tires, waste oil and yard waste.

Section 23. The first part of the first sentence of § 290-15.A of the Town Code, relating to types of recyclable items, is hereby amended to read as follows:

A. Occupants of single-family and two- to four-unit residences shall manage lead acid batteries, major appliances, waste tires, and waste oil as follows:

Section 24. § 290-15.A(4) of the Town Code, relating to types of recyclable items, is hereby amended to read as follows:

(4) Waste oil shall be taken to a service station, repair garage, or car dealer that accepts waste oil, or be delivered to the Town Recycling Facility as provided in § 290-14.1B.

Section 25. The first part of the first sentence of § 290-15.B of the Town Code, relating to types of recyclable items, is hereby amended to read as follows:

B. Occupants of multiple-family dwellings and all nonresidential facilities and properties shall manage lead acid batteries, major appliances, waste tires, waste oil and yard waste as follows:

Section 26. § 290-15.B(1) of the Town Code, relating to types of recyclable items, is hereby amended to read as follows:

(1) Lead acid batteries, major appliances, waste tires, and waste oil shall be disposed of by the owner of the item by contacting an accepting vendor and then delivering the item as directed.

Section 27. The first part of the first sentence of § 290-16 of the Town Code, relating to preparation and collection of recyclable materials, is hereby amended to read as follows:

Except as otherwise directed by the Town Board or its representatives, occupants of single-family and two- to four-unit residences shall do the following for the preparation and collection of separated materials specified in § 290-12E through N:

Section 28. § 290-16.B of the Town Code, relating to preparation and collection of recyclable materials, is hereby amended to read as follows:

B. Aluminum containers: rinse out thoroughly. Examples include aluminum cans, foil wrap, and pie pans.

Section 29. The first part of the first sentence of § 290-17.A of the Town Code, relating to recycling at multiple-family dwellings, is hereby amended to read as follows:

A. Owners or designated agents of multiple-family dwellings shall do the following for recycling the materials as specified in § 290-12E through N:

Section 30. § 290-17.A(1) of the Town Code, relating to recycling at multiple-family dwellings, is hereby amended to read as follows:

(1) Provide adequate, separate containers for the recycling program established in compliance with the ordinance. The number of recycling containers shall equal or be greater than the number of trash containers and at least one of the following shall be met:

(a) The minimum total volume of recycling container space is equal to 20 gallons per week per dwelling unit.

(b) The ratio of trash container volume to recycling container volume is at most 2:1.

(c) An alternative method that does not result in the overflow of a recycling container during the time period between collection of materials and delivery to a recycling facility.

Section 31. § 290-17.A(4) of the Town Code, relating to recycling at multiple-family dwellings, is hereby amended to read as follows:

(4) Notify tenants which materials are collected, how to prepare the materials in order to meet processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.

Section 32. § 290-17.B of the Town Code, relating to recycling at multiple-family dwellings, is hereby amended to read as follows:

B. The requirements specified in Subsection A do not apply to the owners or designated agents of multiple-family dwellings if the post-consumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials as specified in § 290-12E through N from solid waste in as pure a form as technically feasible.

Section 33. The first part of the first sentence of § 290-18.A of the Town Code, relating to recycling at nonresidential facilities and properties, is hereby amended to read as follows:

A. Owners or designated agents of nonresidential facilities and properties shall do all of the following for recycling the materials specified in § 290-12E through N:

Section 34. § 290-18.A(1) of the Town Code, relating to recycling at nonresidential facilities and properties, is hereby amended to read as follows:

(1) Provide adequate, separate containers for the recycling program established under this section. The total volume of recycling containers shall be sufficient to avoid overflow during the time period between collection of materials and delivery to a recycling facility.

Section 35. § 290-18.A(2) of the Town Code, relating to recycling at nonresidential facilities and properties, is hereby amended to read as follows:

(2) Notify all users, tenants and occupants in writing at the time of renting or leasing the facility or property and at least semiannually thereafter about the established recycling program.

Section 36. § 290-18.A(3) of the Town Code, relating to recycling at nonresidential facilities and properties, is hereby amended to read as follows:

(3) Provide for the collection of materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.

Section 37. § 290-18.A(4) of the Town Code, relating to recycling at nonresidential facilities and properties, is hereby amended to read as follows:

(4) Notify users, tenants and occupants which materials are collected, how to prepare the materials in order to meet processing requirements, collection methods or sites, locations of drop-off collection sites to recycle materials not collected on-site.

Section 38. § 290-18.C of the Town Code, relating to recycling at nonresidential facilities and properties, is hereby amended to read as follows:

C. The requirements specified in Subsection A do not apply to the owners or designate agents of nonresidential facilities and properties if the post-consumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in § 290-12E through N from solid waste in as pure a form as is feasible.

Section 39. § 290-19.A of the Town Code, relating to prohibited disposal or burning of recyclable materials, is hereby amended to read as follows:

A. No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in § 290-12E through O that have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

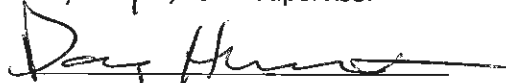

Section 40. This Ordinance shall become effective upon passage and posting.

Adopted this 20th day of April, 2026.
