NOTICE IS GIVEN that the Public Service Commission of Wisconsin will hold a hearing in this docket as listed above. The presiding Administrative Law Judge (ALJ) may allot additional time to receive evidence and comments, if necessary.

This is a Class 1 proceeding as defined in Wis. Stat. § 227.01(3)(a).

FINAL ENVIRONMENTAL IMPACT STATEMENT (FEIS). The Commission intends to issue the FEIS for this project on June 17, 2026, on the Commission's Electronic Records Filing System at the following location: https://apps.psc.wi.gov/ERF/ERFsearch/content/searchResult.aspx?UTIL=137&CASE=CE&SEQ=221&START=none&END=none&TYPE=EIS&SERVICE=none&KEY=none&NON=N&EXM=N

PUBLIC COMMENTS. A person may testify in this proceeding without becoming a party and without attorney representation. A person may submit this testimony in only one of the ways listed above for making a public comment.

A person shall limit a public comment to non-technical personal knowledge or personal opinion. A person may include references to other materials in a comment, but may not include, as part of a comment, any document not written or substantially modified by that person. The Commission shall only accept documents that a person offers to supplement a comment for the purpose of showing the basis of an opinion, not for proof of the matter asserted.

A person shall only make a public comment on their own behalf. The Commission shall receive no comment offered on behalf of another person except for a comment that: (1) demonstrates on its face that the commentor freely and knowingly agreed to another person offering the comment on their behalf and agreed to forgo the opportunity to offer their own comment, and (2) comes accompanied with a sworn statement by the person offering the comment that explains the process by which the comment was solicited, processed, and retained.

Only one comment may be submitted per person during the comment period indicated in this Notice. This comment should include any statement you want to make on the proposed project for the decision makers to review. **So, if you plan to comment in writing, consider reviewing the FEIS before you submit your comment so that your comment can address all aspects of this docket including the FEIS.**

The ALJ will receive and submit to the decision makers as evidence, any comment that complies with the requirements described in this notice. Other comments will not be accepted as evidence. Parties may object to the receipt of a public comment.

PUBLIC RECORDS. Any material submitted to the Commission is a public record and may appear on the Commission web site. For any hearing session livestreamed over YouTube, a recording will appear on the Commission's YouTube channel.
